Richardson and Wregg, and when I consulted the latter, asl to the propriety of trying it on him so low, he said I might, to satisfy myself that I had left nothing untried, but he did not think that Medicine would be of any use to him. But, thank God, he was mistaken, as we saw the salutary effects tion will seize you, in which the grasshopper in 24 hours, and in ten days he was able to be out of bed. 1 24 hours, and in ten days no was age.
